## WINE STORY:

Bright, structured, mineral notes with flavors of poached pear. Aged in large, French oval to bring up long mouth feel and elegant finish. Our mission is to produce world class wines from neighborhood secret gardens and aim to provide you with an experience that tastes like a masterpiece of flavor. Down every path is something new to explore! By choosing special grapes from long-standing neighboring vineyards in the hills of Mendocino and Sonoma Counties, we are able to bring you something traditional and unique at the same time.
