Closure Type: Screw Cap

## WINE STORY:

Sangria Mar & Sol Clarea is a sweet and refreshing drink that offers us the original taste and aroma of the grapes with which the base wine is made, and the original taste and aroma of the fruit juices we mix with the wine base. The quality of this sangria offers the possibility to drink it alone or to mix it with ice, without needing to add any type of liquor. The sangria range produced by the Bodegas Yzaguirre winery is made from premium white wines and natural extracts of citrus and tropical fruits, making it exceptionally tasty and refreshing.
