## WINE STORY:

Of the three '16 single vineyard wines, Johan is going to need the most time to develop. For those familiar with our Johan wines, this should come as no surprise. But patience is always rewarded with this site. On the nose we find toasty ripe black cherry with white pepper and dried herbs, ripe cranberry and cherry lollipop. The palate shows the classic spicy nature of Johan with meaty cherry, saffraress, cinnamon bake, allspice and black cherry. Super structured and robust but bright as always, the bottle is best on day two right now.
