Fanciful Name: Clone 828

Region/AVA: California

State Of Origin: California

ABV: 14.2%

Bottle Size: 750 ml

Bottles Per Case: 12

Closure Type: Cork

WINE STORY:

Clone 828 is a sub-variety of Pinot Noir grown in very limited quantities in Sebastopol. Single vineyard, single clone, this delivers many layers. Showing rich and complex, concentrated, and brilliant in spices and fruit. Leads with red fruits, pomegranate and fresh cranberry, but delivers bright minerality and a crisp mid-palate, finishing in white pepper, lingering for many minutes.

SCORES AND ACCOLADES:

Best of Class: 2019 SF Chronicle Wine Comp
