Bottles Per Case: 12

Closure Type: Diam

## WINE STORY:

Low production from low yielding vineyards owned by our family members. One of the few 100% estate wines from Argentina showing true sense of place. Focus is on terroir and showcasing the distinctiveness our vineyards, located in Valle de Uco, naturally show when compared with the rest of the massively produced malbecs from Argentina. This is an easier to drink, more elegant, old world focused style of malbec.

## SCORES AND ACCOLADES:
