WINE STORY:

We take our bottled sparkling malbec and can some of it. So if you are looking for convenience but not wanting to sacrifice quality? Our amazing true Sparkling wine (not carbonated flat wine like many of our competitors) is available in a 4 pack of 250ml cans to give you one-liter of a very high quality refreshment that is light weight and eco-conscious (recyclable aluminum cans). Fits easily into your traveling cooler, purse or pack for enjoying away from home at your convenience and whenever your taste buds need refreshing.
