WINE STORY:

This beautiful Chardonnay, made from 100% certified Organic fruit, was fermented in two lots. Each lot is a different clone and has a different yeast. This is a unique blend of the two clones and is aged in neutral French oak barrels for 8-10 months to soften the mouthfeel and add a layer of vanillins to the wine. The MLF was prevented to ensure the acids were great, so the flavor profile is like apple-cinnamon pie made with minimal baking spices and vanilla.
