WINE STORY:

Winemaking began as a hobby for us but quickly turned into our passion. We set out from the beginning to make amazing wines from select grapes, focusing on Pinot Noir. Our grapes have been chosen from select lots in prized areas of Sonoma with a keen love for the Russian River Valley and Sonoma Mountain. Our winemaker, Patrick Murray himself a long-time resident of Sonoma used years of relationships with growers to find the very best lots and grapes to achieve our dream. That dream was to produce Pinot Noirs that tell the story of this enchanted land and wine lovers will seek out for celebratory reasons but will desire for everyday meals. Enjoy~
