## WINE STORY:

Hand picked in small baskets at optimum ripeness. Cool fermentation on skins under strict temperature regulation for 12-14 days. Aged in stainless steel tanks and bottled. Aged in under-ground cellars for over 6 months. Red ruby color with a violet reflection. Scents of wild red fruits and cherry. Elegant, fruity, intense, and persistent. The appealing red juice is loaded with flavors of sun-ripened cherries, raspberries, and sweet herbs and spices. This wine is surprising adept with salads and even fish courses. Serving Temperature: 16-18°C / 60-64°F
