State Of Origin: Trentino-Alto Adige  
ABV: 12.5%  
Bottle Size: 750 ml  
Bottles Per Case: 12  
Closure Type: Cork

## WINE STORY:

Azienda Agricola Salvetta is a small and beautiful estate in the town of Sarche, very close to Trento, up in the jutting mountains of the Dolomites of northern Italy. A stunningly gorgeous plot of 3 vineyards, with limestone cliffs on the north side of the vines, and the Sarca River on the south; creating a total of 1.5 hectares dedicated to the local Nosiola grape variety. The Sarca Valley is well known for this grape, as this sub-Mediterranean microclimate and the soil composition are perfect to make a dry and vibrant styled white, as well as the famous and sweet Vino Santo. Dario Salvetta purchased the Rauten farm in the early 1930's, making the area's traditional sweet wine for decades (this wine dates back to the 16th century), and passing the duties onto his son Giancarlo and now Francesco. Completely organic farming practices (certified since 2012) have always been part of the estate, and Salvetta officially became a winery in 2009, dedicated to make exquisite wines in a clean and natural way.
