Fanciful Name: Santos da Casa
Reserva Vinho Regional
Alentejano
Region/AVA: Alentejo
ABV: 14.5%
Bottle Size: 750 ml
Bottles Per Case: 6
Closure Type: Natural Cork

WINE STORY:

Santos & Seixo is a family company owned by two families. Alzira dos Santos and Pedro Seixo had the dream of pursuing their family inheritance and devoting themselves wholeheartedly to wine. In 2010 the dream became reality with their first harvest in Douro and Alentejo, the most emblematic regions in Portugal. Limited productions from the best grape varieties of each region with a careful aging in French oak barrels. The project has grown and today the family owns properties and produces wines in the Douro, Alentejo and in the Vinho Verde region. In a combination of modern and traditional, our grapes are carefully chosen with a minimum intervention. From the production to the aging in barrels, all the processes are made in order to maintain the authenticity of the grapes. Vinification: Grapes are destemmed and crushed, followed by five days of cold maceration, fermentation in stainless steel tanks at a controlled cool temperature, and malolactic fermentation in French oak barrels. 12 months aging in French oak. Varietals: Touriga Nacional, Alicante Bouschet, Syrah, Cabernet Sauvignon Color: Intense Ruby. Tasting Notes: Ripe red fruits, fleshy tannins, and vanilla contribute to a full mouth feel and a long, persistent finish. Pairing: Roasted swordfish, game bird stew, soft to semi-hard ripe cheeses. Aging Potential: Enjoy now until 2021
