## WINE STORY:

Over 45 years of experience, Sierra Vista is one of the pioneers of El Dorado County and the Sierra Foothills. Today, we focus on the legacy of our premium grapes together with fine artisan wine making to produce our quality, hand crafted wines. A lovely little white blend representing the snow you can see on the Crystal Range from our property. Aromas of lychee, guava, peach and white flowers jump from the glass. The well rounded mouthfeel continues the theme of the peach, lychee and white flower flavors. It has moderate acidity and a lingering finish.
