without ageing in barrels.

WINE STORY:

Young wine with very intense purple hue mixed with bluish tones proper of its youth and vitality. It is penetrating in the nose, with standing out shades of red fruits of the forest. In the mouth it is fleshy, tasty and fatty, leaving an aftertaste persistent in the time, emphasizing the aromas of fresh red fruit in the retronasal passway. Ideal to accompany light meals such as grilled white meat and fish. It is good for cocktails and appetizers. The wine is fermented in stainless steel tanks prior to 39 degrees F cryomaceration during 7 days. The fermentation is controlled between 63-68 degrees for 15 days with the contribution of macrooxygenation.
