WINE STORY:

URBAN LEGEND says that Zinfandel has two Italian aliases: Primitivo di Gioia (joyful, wild gem) and Primitivo di Locale (a neighborhood original). This blend of Zin and Petite Sirah was a megahit with the locals...a real gem...so the name Gioia Locale was only fitting. Rich, spicy, deep, and a little mysterious, this wine goes with barbeques and sunshine or warm winter stews. Your call.
